

CASE STUDY: AVIVA PINNACLE HOUSE

Project Value: **£10M**

Client: **Aviva Investors & Kingston Estates**

Architects: **Matt Architecture**

An office refurbishment in Wimbledon involving reconfiguration of internal spaces, re-cladding of the front elevation, removal of the existing roof, and three storeys added to the building – doubling the existing floor area to 50000sqm. We worked with the clients from early stages to assist them with gaining approval for the works and obtaining LA fire Officer approval.
